The applicant has not cancelled the non-elected claims. The non-elected process claims will only be rejoined for examination when the application is condition for allowance. The non-elected claim 18-23 when rejoined would be rejected under 112, first paragraph for lack of enablement. The steps involved in converting the compound of formula I to a deriavative or another compound is not delineated in these claims. Additionally, the applicant does not define what pain is being treated in claim 28, so the 112, second paragraph rejection of claim 28 will stand.
